

1. A free unframed, rolled, 8x10 gleece fine art print of the finished painting (This is the same technique that museums use to reproduce and display great works of art). This includes free shipping within the continental USA.

2. Your photo and the resulting painting will be featured here on the Artist's Choice Award page.

3. Optional: A painting of the submitted pet with a 50% reduction of the customary price listed within the matrix. The cost of adding labor intensive details will not be reduced; the reduced price will be based on number of subjects and size, see example below.

An example of the winner's cost reduction when purchasing a painting:

Example One:

One subject, 20x24 painting, with a highly detailed background (see Gallery 2)

- 20x24 One Subject Painting Price: \$690.
- Detailed background and/or foreground add 50%, Price: \$345.
- Total without winner's price reduction: \$1035
- Total with the winner's price reduction: \$690

Example Two:

One subject, 11x14 painting with a plain background, Price without winner's price reduction: \$540

One subject, 11x14 painting with a plain background, Price with the winner's price reduction: \$270

1. The artist is the sole judge. The photographic image must inspire the artist to create a painting

2. The photograph must be an original and without copyright infringements

3. Quality and size of acceptable photographs must follow the same guidelines as listed on the price and procedure page

4. The winner will be notified by email and/or by viewing the Artist's Choice Award page

5. All other contestants will need to view the Artist's Choice Award page, right here, to find out who won

6. One winner per month

7. No limits on the number of times one can win

8. The final painting, unless purchased as described under Prize number 3, becomes the express ownership of the artist.
